Colour: Blue/Black

More Info: Upon request

The following protocol must be followed to purchase the car:

The Buyer shall send an L.O.I. (Letter of Intent) and a P.O.F. (Proof of Funds) in order to obtain the official documentation and the appointment to visit the car.

The requested documents will be sent to an Attorney, who will treat all documents with professional secrecy, as guarantee and respect for both Selling and Buying Party.

Once the documents have been received, the chassis number of the car, photos, video and any certifications of the vehicle will be immediately provided.

It will also be possible to visit and inspect the car immediately, for checking its quality and its state of conservation, with the help and the support of Buyer's trusted technical experts.
